TO: Executive Policy Team

FROM: Patricia L. Caruso, Director

SUBJECT: Huron Valley Complex

SUPERSEDES DOM 2008 - 4 (effective 02/01/08)

The Huron Valley Correctional Facility and Huron Valley Center were converted into the Huron Valley Complex in 2004. Included in the conversion was the closing of the Western Wayne Correctional Facility and the Huron Valley Center. The Huron Valley Complex is supervised by one Warden and consists of three facilities: the Huron Valley Complex - Men (HVM), the Huron Valley Complex - Women (WHV), and Camp Valley (CVH).

As a result of the closing of the Huron Valley Center, inpatient psychiatric care formerly provided to prisoners at the Huron Valley Center is provided in inpatient units at HVM for male prisoners and at WHV for female prisoners until further notice. All inpatient psychiatric care provided to prisoners at HVM and WHV is provided under the direction of the Department of Community Health (DCH). Department and DCH policies and procedures that applied to the Huron Valley Center apply to the inpatient psychiatric units at HVM and WHV, except where specifically noted in Department policy or as otherwise directed by the Deputy Director of Correctional Facilities Administration.
